

CURRICULUM VITAE

Personal Data

Name(s): Bladimir

Family Name: Moreno Toirán

Date of Birth: 12/12/1968

Home Address: Edificio A29 Apto.5 Distrito José Martí
Santiago de Cuba. Cuba

Permanent Institute: Centro Nacional de Investigaciones Sismológicas. CENAIS.

Institute Address: Calle 17 No.61 e/ 4 y 6 Reparto Vista Alegre
Santiago de Cuba. Cuba

Phone(s): (53) 22 641112, 52631754

FAX:

E-Mail: bladimir@cenais.cu

University studies: Licenciado en Cibernética Matemática.

Scientific Degree: MSc and Ph.D. Seismology. University of Bergen. Norway

Institute Position: General Director (Aug 2008 - until 22 dec 2018).

Actual Position: Senior Researcher

Simon's associated of the International Centre of Theoretical Physics. Trieste, Italy (ICTP) (2014-2020)

Training:

Date	Topic
10/1995	International Training Courses on 'Seismology and Seismic Hazard Assessment'. Managua, Nicaragua.
1998-2002.	MSc. and Ph.D. studies in Seismology. University of Bergen. Norway.
05/2007	Workshop on the Physics of Tsunami, Hazard Assessment Methods and Disaster Risk Management. ICTP, Trieste, Italia.
07/2006	Workshop on management of metadata and time series data. Sao Paulo, Brasil.
9/2008	Workshop on Three-Dimensional Modelling of Seismic Waves Generation, Propagation and their Inversion. ICTP, Trieste, Italia
9/2011	Workshop on Non-linear Dynamics and Earthquake Predictions. ICTP, Trieste, Italia.
8/2016	Workshop on Seismology beyond text book. ICTP, Trieste, Italia.

International Research Project:

Date	Topic
1998-2000	PALEOSIS. Paleoseismology in Europe. Countries: Norway, France, Italy, Belgium.
2000-2002	SESAME. Site response studies in Europe. Countries: France, Norway, Greece, Italy, Portugal.
2000-2002	SAFE. Slow active faults in Europe. Countries: Italy, Spain, Norway, France, Belgium.
2010-2012	Seismic Microzoning in Venezuela. Countries: Venezuela, Cuba
2012-2015	Seismic Hazard in Cuba. Countries: Norway, Cuba
2018-2020	TOWARDS THE REGIONAL PLATFORM OF TELLURIC MONITORING OF FUTURE. PREST PROJECT. FRANCE, MARTINICA,CUBA,HAITI

International Conferences:

Date	Name
1996	• III Taller Internacional Informática y Geociencias GEOINFO'96. Noviembre 1996. Habana
1996	• IV Congreso Internacional sobre Desastres. Noviembre 1996. Habana
2001	• The first IAGA-IASPEI joint scientific assembly, 19-31 August 2001, Hanoi, Vietnam.
2002	• XXVIII General Assembly. European Seismological Commission (ESC), 1 – 7 September, 2002, Genova, Italy.
2009	• III Convención Cubana de Ciencias de la Tierra, GEOCIENCIAS '2009, La Habana, Cuba.
2010	• XI Congreso Internacional sobre Desastres, La Habana, Cuba.
2010	• XV Convención Científica de Ingeniería y Arquitectura, La Habana, Cuba
2011	• IV Convención Cubana de Ciencias de la Tierra, GEOCIENCIAS '2011, La Habana, Cuba
2011	• VIII Convención Internacional sobre MEDIO AMBIENTE Y DESARROLLO, La Habana, Cuba.
2012	• Simposio Terremoto de Haití, una alerta para la Hispaniola, Santo Domingo, Rep.Dominicana.
2013	• XV Convención Informática 2013. Santiago de Cuba, Cuba.
2013	• Annual meeting of American Geophysical Union, AGU 2013, Cancún, Mexico.
2014	• I Convención Internacional de Ciencias Técnicas. Santiago de Cuba, Cuba.
2015	• VI Convención Internacional de Ciencias de la Tierra, La Habana, Cuba.
2016	• II Convención Internacional de Ciencias Técnicas. Santiago de Cuba, Cuba.
2017	• VII Convención Internacional de Ciencias de la Tierra, La Habana, Cuba.
2018	• II Convención Internacional de Ciencias Tecnología e Innovación. La Habana, Cuba
2019	• VIII Convención Internacional de Ciencias de la Tierra, La Habana, Cuba.
2021	• IX Convención Internacional de Ciencias de la Tierra, La Habana, Cuba.
2023	• X Convención Internacional de Ciencias de la Tierra, La Habana, Cuba.
